

Clos de Taman, AOC Côtes du Rhône Villages Laudun, Red, 2024

AOC Côtes du Rhône Villages Laudun, Vallée du Rhône, France

The 2024 vintage in Southern Rhône benefited from a mild winter and a rainy spring, encouraging early budbreak. The temperate summer allowed for gradual ripening, resulting in lovely freshness, especially in the whites and rosés. The reds, driven by structured Syrah and concentrated Grenaches, are both rich and well-balanced.

PRESENTATION

A small limestone plot commanding position on the village.

Situated on the terroir of Laudun, the Clos de Taman is established at altitude at the foot of the chalky plateau of Caesar's Camp, recalling the rich history of the region, linked to that of Maison Sinnæ. This cuvée is the result of cooperation between several winegrowers, who cultivate a number of parcels. A charming Côtes du Rhône Villages Laudun, both delicate and powerful, with lovely fresh and fruity notes and great length in the mouth.
