

La Ferme de Gicon, IGP Gard, Rosé, 2023

IGP Gard, France

PRESENTATION

This cuvée, La Ferme de Gicon, celebrates the terroir that makes up the Gardois vineyard of Maison Sinnae. This wine was born from a selection of plots in order to highlight the qualitative aspect of this indication, and to sublimate the typical terroir that makes the singularity of the wines of our House.

THE VINTAGE

The 2023 vintage, despite a dry winter, witnessed the vines beginning their cycle. A rainy spring energized growth, especially for the Grenache. Summer heat exceeding 40°C affected yields, but the grape quality remains excellent, resulting in robust red wines, aromatic whites, and a vibrant character for the rosés.
