

LES COSTES NOBLES TERRES

CÔTES DU RHÔNE

This cuvée, the Costes Nobles Terres, bears this name in homage to the vineyards belonging to the Lord of Gicon, which had the common feature of being situated on a hillside. All of this led the winegrowers to name these parcels Costes Nobles Terres, Costes referring to the hillsides and Nobles Terres referring to their seigneurial ownership.

Supplementary range - 201 route d'Orsan, 30200 Chusclan
