

Domaine du Boulas, AOC Laudun, Rouge, 2024

AOC Laudun, Vallée du Rhône, France

The 2023 vintage, despite a dry winter, witnessed the vines beginning their cycle. A rainy spring energized growth, especially for the Grenache. Summer heat exceeding 40°C affected yields, but the grape quality remains excellent, resulting in robust red wines, aromatic whites, and a vibrant character for the rosés.

PRESENTATION

In this cuvée, you will find the story of a family of winegrowers who, like Maison Sinnae, are distinguished by their commitment to the production of wine that is increasingly respectful of Man and his environment.

Tree of life and protector of the land of Boulas, the mulberry tree which stands before the entrance of the Estate takes us back to the ancestral roots of this family of winegrowers who have tended the terroir of Laudun for decades.
