## Domaine du Boulas, AOC Laudun, Red, 2024

AOC Laudun, Vallée du Rhône, France

*The 2024 vintage in Southern Rhône benefited from a mild winter and a rainy spring, encouraging early budbreak. The temperate summer allowed for gradual ripening, resulting in lovely freshness, especially in the whites and rosés. The reds, driven by structured Syrah and concentrated Grenaches, are both rich and well-balanced.*

### PRESENTATION

In this cuvée, you will find the story of a family of winegrowers who, like Maison Sinnae, are distinguished by their commitment to the production of wine that is increasingly respectful of Man and his environment.

Tree of life and protector of the land of Boulas, the mulberry tree which stands before the entrance of the Estate takes us back to the ancestral roots of this family of winegrowers who have tended the terroir of Laudun for decades.

### LOCATION

This cuvée comes from Domaine Du Boulas, which stretches out on the eastern side of Camp de César, a limestone plateau at an altitude of 200m situated in behind the village of Laudun in the heart of southern Côtes du Rhône vineyards.

### TERROIR

The slightly slopped parcels lie on poor, predominantly clay and limestone terroir dotted with rolled pebbles. The vines are particularly exposed to the wind and benefit from an ideal amount of sunshine. Located on the eastern piedmont, these plots are cultivated according to organic farming principles, thus respecting the natural balance of the terroir and promoting the authentic expression of the fruit.
