

CRUS of the Rhône Valley

MAISON
SINNAE

Les Traverses, AOC Gigondas, Red, 2021

AOC Gigondas, Vallée du Rhône, France

After a dry winter, with the soil mineralising under the best possible conditions, the early spring was marked by frosts which had a severe impact on the Côtes du Rhône vineyards. Despite this, the terroirs of Maison Sinnae were relatively spared, which enabled the vegetative cycle to get underway with average earliness. The rather rainy spring gave rise to abundant flowering. This produced fresh, taut rosés, powerful, tannic reds and an exceptional white vintage.

PRESENTATION

With this range, Maison Sinnae illustrates its desire to share the diversity of the vintages present in the Rhône Valley.

These wines are the result of Maison Sinnae's desire to pass on and share the terroir and heritage of the Rhône Valley to future generations.

Les Traverses sublimates this terroir which produces wines of character, which is what makes the wines of this Gigondas appellation so special.

JEB DUNNUCK 89

""The 2021 Gigondas Les Traverses is a pretty, medium bodied, elegant Gigondas with lots of ripe strawberry and cherry fruit, some sappy garrigue and peppery notes, fine tannins, and solid balance. It's very much in the fresher, juicy, lively style of the vintage and is perfect for drinking over the coming 5-7 years.""
