

Château de Gicon, AOC Côtes du Rhône, Red, 2023

AOC Côtes du Rhône, Vallée du Rhône, France

The 2023 vintage, despite a dry winter, witnessed the vines beginning their cycle. A rainy spring energized growth, especially for the Grenache. Summer heat exceeding 40°C affected yields, but the grape quality remains excellent, resulting in robust red wines, aromatic whites, and a vibrant character for the rosés.

PRESENTATION

At an altitude of 245m, in the heights of the village of Chusclan, stands the ruins of the Château de Gicon which overlook the Rhône and its valley. The vineyard, situated below the castle ruins, has a specific winemaking process to give rise to this unique cuvée. A powerful Côtes du Rhône with notes of crushed blackberries, star anise and a touch of mint. Rich, thick and dense tannins for a gastronomic wine.

LOCATION

This cuvée comes from a vineyard stretching below Château de Gicon, a medieval 12th-century fortress that dominates the entire southern Côtes-du-Rhône vineyard from the top of the Gicon hill.

TERROIR

The selection is carried out on a poor, clay and limestone terroir scattered with rolled pebbles («galets roulés»). The vines are sheltered from the wind and benefit from an ideal amount of sunshine.

WINEMAKING

100% classic vinification (destemmed and crushed grapes), fermentation at 25°C and regular supply of oxygen during vinification.
