

Terra Vitae Bio, AOC Côtes du Rhône Villages Laudun, Red, 2021

AOC Côtes du Rhône Villages Laudun, Vallée du Rhône, France

After a dry winter, with the soil mineralising under the best possible conditions, the early spring was marked by frosts which had a severe impact on the Côtes du Rhône vineyards. Despite this, the terroirs of Maison Sinnae were relatively spared, which enabled the vegetative cycle to get underway with average earliness. The rather rainy spring gave rise to abundant flowering. This produced fresh, taut rosés, powerful, tannic reds and an exceptional white vintage.

PRESENTATION

The Terra Vitae (Living Earth) wines reflect our commitment to preserving the environment and biodiversity. By rebuilding the low, drystone walls that border our parcels of vines, we are helping to preserve the habitat of the Ocellated Lizard.
