

Domaine Combe Ferréol, AOC Côtes du Rhône Villages Laudun, Red, 2021

AOC Côtes du Rhône Villages Laudun, Vallée du Rhône, France

After a dry winter, with the soil mineralising under the best possible conditions, the early spring was marked by frosts which had a severe impact on the Côtes du Rhône vineyards. Despite this, the terroirs of Maison Sinnae were relatively spared, which enabled the vegetative cycle to get underway with average earliness. The rather rainy spring gave rise to abundant flowering. This produced fresh, taut rosés, powerful, tannic reds and an exceptional white vintage.

PRESENTATION

Philippe Pellaton adores heritage and old buildings, not only for the beauty of these sites but above all for the stories that they have to tell. For the past 20 years, he has been working his terroir with the desire to pass on this heritage and share a certain Rhône Valley way of life with future generations...
