

## Château de Gicon, AOC Côtes du Rhône, Red, 2022

AOC Côtes du Rhône, Vallée du Rhône, France

*The 2022 vintage was characterised by a very dry winter, with the vegetative cycle of the vines resuming very early in March. Spring saw abundant flowering, but was marked in June by severe hail in and around Laudun, which affected many plots. The summer was very dry, resulting in a high-quality harvest, with beautifully aromatic rosés, reds with high tannin potential and rich, flavoursome whites.*

### PRESENTATION

At an altitude of 245m, in the heights of the village of Chusclan, stands the ruins of the Château de Gicon which overlook the Rhône and its valley. The vineyard, situated below the castle ruins, has a specific winemaking process to give rise to this unique cuvée. A powerful Côtes du Rhône with notes of crushed blackberries, star anise and a touch of mint. Rich, thick and dense tannins for a gastronomic wine.

### LOCATION

This cuvée comes from a vineyard stretching below Château de Gicon, a medieval 12th-century fortress that dominates the entire southern Côtes-du-Rhône vineyard from the top of the Gicon hill.
