Maison Sinnae, AOC Côtes du Rhône Villages, Red, 2023

AOC Côtes du Rhône Villages, Vallée du Rhône, France

PRESENTATION

Discover the Maison Sinnae cuvée, wines that illustrate the commitment of all of us, winemakers and employees, in making wines that are increasingly respectful of Man and his environment. Wines that defend a common vision: that of responsible production in order to guarantee a sustainable activity and to ensure its transmission to future generations.

THE VINTAGE

The 2023 vintage, despite a dry winter, witnessed the vines beginning their cycle. A rainy spring energized growth, especially for the Grenache. Summer heat exceeding 40°C affected yields, but the grape quality remains excellent, resulting in robust red wines, aromatic whites, and a vibrant character for the rosés.

LOCATION

Our vineyard is located in southeastern France on the right bank of the Rhône.

TERROIR

This cuvée comes from a high altitude terroir of terraced slopes, on superficial soils of sandstone limestone and red clay, or from a warmer terroir of plateau combining pebble deposits with clay or sand.

IN THE VINEYARD

Vineyard managed sustainably with respect for biodiversity. Working the soil on the row when possible. Controlled grassing of the inter-row according to production objectives

Use of biocontrol solutions to protect the crop.
