

Domaine du Boulas, AOC Côtes du Rhône Villages Laudun, Red, 2022

AOC Côtes du Rhône Villages Laudun, Vallée du Rhône, France

The 2022 vintage was characterised by a very dry winter, with the vegetative cycle of the vines resuming very early in March. Spring saw abundant flowering, but was marked in June by severe hail in and around Laudun, which affected many plots. The summer was very dry, resulting in a high-quality harvest, with beautifully aromatic rosés, reds with high tannin potential and rich, flavoursome whites.

PRESENTATION

In this cuvée, you will find the story of a family of winegrowers who, like Maison Sinnae, are distinguished by their commitment to the production of wine that is increasingly respectful of Man and his environment.

Tree of life and protector of the land of Boulas, the mulberry tree which stands before the entrance of the Estate takes us back to the ancestral roots of this family of winegrowers who have tended the terroir of Laudun for decades.
