

Les Dolia, AOC Côtes du Rhône Villages Laudun, Red, 2023

AOC Côtes du Rhône Villages Laudun, Vallée du Rhône, France

The 2023 vintage, despite a dry winter, witnessed the vines beginning their cycle. A rainy spring energized growth, especially for the Grenache. Summer heat exceeding 40°C affected yields, but the grape quality remains excellent, resulting in robust red wines, aromatic whites, and a vibrant character for the rosés.

PRESENTATION

For this cuvée, we choose the very best grapes at the foot of Caesar's Camp. It illustrates the passion and technical prowess of our winegrowers because it is their hands that craft this wine with its subtle aromas of red berries, spices and liquorice. In the past, the Romans stored their wine in large amphoras called Dolia. This cuvée pays tribute to this ancestral know-how.

TERROIR

This cuvée is made from a selection of the oldest and best parcels of Syrah and Grenache grown on the slopes of Camp de César. The soils are poor, predominately clay limestone and sandstone. The yields are naturally limited with berries rich in colour, aromas and tannins.

WINEMAKING

100% classic vinification (destemmed and crushed grapes), fermentation at 25°C and regular supply of oxygen during vinification. Long period cold maceration for one month with punch-down of the cap followed by traditional vinification. A careful selection enhances the quality and potential of this cuvée.
