

CAMP ROMAIN

CÔTES DU RHÔNE VILLAGES
LAUDUN

Camp Romain, AOC Côtes du Rhône Villages Laudun, Red, 2022

AOC Côtes du Rhône Villages Laudun, Vallée du Rhône, France

The 2022 vintage was characterised by a very dry winter, with the vegetative cycle of the vines resuming very early in March. Spring saw abundant flowering, but was marked in June by severe hail in and around Laudun, which affected many plots. The summer was very dry, resulting in a high-quality harvest, with beautifully aromatic rosés, reds with high tannin potential and rich, flavoursome whites.

PRESENTATION

This cuvée, Camp Romain, pays tribute to the Camp de César overlooking the villages of Laudun and Chusclan. It was the painter Albert André, a post-impressionist, whose attachment to Laudun and its wines led him to design the very first label for this cuvée in 1951. Since then, vintage after vintage, Maison Sinnae has paid tribute to the great painter he was. This cuvée is part of Maison Sinnae's desire and commitment to pass on to future generations the heritage and terroir of the Rhône.

LOCATION

This cuvée comes from a vineyard stretching around the village of Laudun on the right bank of the Rhône in southeastern France.

TERROIR

Selection is carried out on vines grown on a rolled pebble («galets roulés») terroir down hillsides near Camp de César, a 200m limestone plateau behind the village of Laudun. Poor clay and limestone soil.
