

Terra Vitae Bio, AOC Côtes du Rhône Villages Laudun, Red, 2023

AOC Côtes du Rhône Villages Laudun, Vallée du Rhône, France

The 2023 vintage, despite a dry winter, witnessed the vines beginning their cycle. A rainy spring energized growth, especially for the Grenache. Summer heat exceeding 40°C affected yields, but the grape quality remains excellent, resulting in robust red wines, aromatic whites, and a vibrant character for the rosés.

PRESENTATION

The Terra Vitae (Living Earth) wines reflect our commitment to preserving the environment and biodiversity. By rebuilding the low, drystone walls that border our parcels of vines, we are helping to preserve the habitat of the Ocellated Lizard.

This cuvée comes from organic parcels on the slopes of Camp de César, a limestone plateau with an altitude of 200 metres, behind the village of Laudun in the heart of southern Côtes du Rhône vineyards on the right bank of the Rhône in southeast France.
