CÔTES DU RHÔNE VILLAGES  
LAUDUN

## Camp Romain, Camp Romain, AOC Laudun, White, 2024

AOC Laudun, Vallée du Rhône, France

*The 2024 vintage in Southern Rhône benefited from a mild winter and a rainy spring, encouraging early budbreak. The temperate summer allowed for gradual ripening, resulting in lovely freshness, especially in the whites and rosés. The reds, driven by structured Syrah and concentrated Grenaches, are both rich and well-balanced.*

### PRESENTATION

The stunning duel of limestone hillsides.

This cuvée, Camp Romain, pays tribute to the Camp de César overlooking the villages of Laudun and Chusclan. It was the painter Albert André, a post-impressionist, whose attachment to Laudun and its wines led him to design the very first label for this cuvée in 1951. Since then, vintage after vintage, Maison Sinnae has paid tribute to the great painter he was. This cuvée is part of Maison Sinnae's desire and commitment to pass on to future generations the heritage and terroir of the Rhône.

This cuvée comes from a vineyard stretching around the village of Laudun on the right bank of the Rhône in southeastern France.
